

AMsuite®

Claims – Residential & Recreational

This document will aid you in finding claims within a AMsuite policy.

Open policy in AMsuite

Select AMsuite Core from the home page.

Once in AMsuite Core, under the Actions tab select Risk Analysis

Once on the Risk Analysis tab, select the Claims tab.

Once on the Claims page Search must be selected for the claims to appear. If the named insured has a claim(s) they will appear after this.
